▪ Professional Summary

Heavyweight operations executive with 12+ years of experience scaling multi-unit F&B concepts, executing corporate turnarounds across the GCC, and directing mega-event logistics. Specializes in managing immense operational scale. Commanded 8,000+ cross-functional staff during the FIFA World Cup and delivered zero-defect VVIP hospitality for the Amiri Diwan. Uniquely leverages an Engineering background and an MBA in Crisis Management to architect automated, lean operational infrastructures. These systems drastically reduce manual overhead, optimize supply chains, and drive rapid bottom-line profitability for holding companies and hospitality groups.

▪ Core Competencies

Mega-Event & Logistics Operations | P&L & Corporate Turnaround | High-Volume F&B Scaling | VVIP & Royal Hospitality | Multi-Unit General Management | Lean Process Automation | Supply Chain & Vendor Optimization | B2B Government Tendering

▪ Professional Experience

• Interim Operations Director (Contract) | Armani Group | Jan 2026 – Mar 2026 | Qatar

- **Concept Launch & Rapid Scaling:** Built and launched Miso Station Restaurant (Swiss-Belinn) from the ground up, directing all recruitment, kitchen infrastructure setup, menu costing, and strict regulatory approvals.
- **Industrial Commercialization:** Scaled Daily Dose Qatar from a localized brand into a fully compliant, high-volume industrial operation (MOPH, Baladiya, ISO/GSO). Deployed commercial strategies that achieved a highly efficient QR3 cost per order within the first 30 days.
- **Portfolio Advisory:** Delivered cross-functional operational leadership across diverse group ventures. Optimized workflows for WS Café (Surgri-Art Hospital), a high-capacity cloud kitchen, an artisan bakery, and a luxury automotive showroom.

• Catering Operations Manager (Mega-Events) | W Doha Hotel & Residences | Nov 2025 – Dec 2025 | Qatar

- **High-Stakes Strategic Deployment:** Handpicked as the sole external executive to direct the W Hotel's massive catering logistics for the Doha Film Festival, Formula 1 Qatar Grand Prix, and FIFA Arab Cup 2025. Successfully bridged luxury hospitality standards with rigorous stadium logistics.
- **Royal Protocol & VVIP Execution:** Managed exclusive, zero-margin-for-error hospitality for Qatari and Jordanian Royal Families, coordinating directly with the Amiri Diwan. Seamlessly operated 141 VVIP Skyboxes across Lusail and Education City Stadiums.
- **Workforce Scalability:** Orchestrated a massive labor surge. Quadrupled event-day staffing and integrated hotel core teams with outsourced units to deliver incident-free operations under intense global scrutiny.

• Grand Central Bakery & Kitchen (and Affiliated Ventures) | Jun 2023 – Oct 2025 | Qatar

Recruited to drive group-wide B2B growth and multi-unit operations, later tasked by ownership to concurrently rescue and spin off a distressed internal asset.

General Manager | Second Bite Nutrition Center (Jan 2024 – Oct 2025)

- **Distressed Asset Turnaround:** Rescued a failing internal department and spun it off into a standalone legal entity. Managed commercial registration, banking, and strategic partnerships with Qatar Airways and Qatar Foundation, reducing total costs by ~40% and improving net margins from negative 30% to negative 5% in under 12 months.
- **Operational Automation:** Architected a proprietary AI-integrated ERP system linked to the WhatsApp Cloud API. Automated complex kitchen routing and invoicing, slashing manual staff overhead by ~70%.
- **Culinary Standardization:** Led R&D and costing for a 230-dish precision menu, transitioning from unscalable custom orders to standardized production. Locked in fixed food costs and integrated USDA/FDA data, driving client retention from 9% to 44%.
- **Commercial Growth:** Built an in-house creative team and directed digital strategy to explode brand visibility. Increased conversion rates from 1% to 12% and cut cost per lead by 77%.

Head of Technology & Business Development | Grand Central Bakery & Kitchen (Jun 2023 – Oct 2025)

- **B2B Expansion & Government Tenders:** Spearheaded expansion into Ministry of Finance tenders (Monaqasat). Managed the full bid cycle to secure major supply contracts with Monoprix, Lulu Group, and government entities.
- **Multi-Unit Operations:** Directed daily operations and QA across 15+ outlets and production divisions. Managed key corporate portfolios (Vodafone, Shell, Qatar Museums, DHL) with strict brand consistency and high-volume delivery.
- **Institutional Catering & Innovation:** Directed large-scale F&B tenders for airlines, hospitals, and 5-star hotels. Pioneered Qatar's first school cashless payment platform (CBQ/SkipCash), securing exclusive contracts with top international schools such as Qatar International School, Lycee Voltaire.
- **Tech Integration for ROI:** Internalized all digital marketing to reduce external agency costs by over 60%. Rolled out network-wide ERP and POS integrations to provide real-time visibility on food costs, stock, and sales, directly boosting bottom-line profitability.

• Venue Operations Manager | FIFA World Cup Qatar 2022 | Oct 2022 – Jan 2023 | Qatar

- **Rapid Executive Promotion:** Recruited as Assistant Manager and promoted within one month to Venue Manager for Education City Stadium, a flagship tournament venue.
- **Massive-Scale Command:** Directed a cross-functional workforce of 8,000+ staff across F&B, logistics, and finance. Ensured flawless operational readiness across 44 concession zones for tens of thousands of fans per match.
- **Operational Excellence & Compliance:** Achieved zero major operational incidents. Led daily 16 to 18 hour compliance inspections (FIFA, Supreme Committee, WHO) while managing crowd flow and complex supplier logistics under extreme pressure.
- **Crisis Deployment:** Recognized for leadership resilience and deployed to support Khalifa International and Lusail Stadiums for final matches and bump-out logistics, earning direct commendations from FIFA Senior Management.

• Operations Consultant | Dubai Media City | Apr 2022 – Oct 2022 | UAE

- **Operational Turnaround:** Restructured commercial operations for Red Fox Automotive, a multi-branch network. Enforced strict performance analytics to maximize operational ROI and team accountability.
- **Market Entry Strategy:** Delivered go-to-market strategies and operational frameworks for Automotive and F&B clients expanding across Dubai, Sharjah, RAK, and Abu Dhabi.

• General Manager | Crusoe – Your Cars Bodyguard | Mar 2021 – Mar 2022 | Qatar

- **Startup Scaling & Acquisition:** Scaled a mobile service startup from early-stage concept to full operational profitability, directly leading to a successful strategic acquisition by Ali International Trading.
- **Infrastructure & P&L Leadership:** Held full P&L accountability. Architected the entire service ecosystem from scratch, implementing centralized booking/dispatch logic, standardized SOPs, and vendor supply chain optimizations to maximize gross margins.

• Operations Director | Global Company for HoReCa Preparations | Jan 2018 – Feb 2021 | Egypt

- **Multi-Concept Management:** Established and positioned a hybrid hospitality complex featuring a Specialty Café, Grillhouse, and two Entertainment Centers as a highly profitable regional hub.
- **Operational Efficiency:** Engineered custom POS integrations that linked F&B sales directly with venue hardware, minimizing data costs and dramatically reducing manual oversight requirements.
